

## **Asphalt Raker**

Awarded one of Canada's Best Managed companies in 2016 and 2017, **The Forest Group of Companies** is a vertically integrated diversified group of companies offering exterior construction material supply and services within the Greater Toronto Area. Focused on asphalt paving, concrete, municipal site services, landscape construction and other exterior construction, Forest has provided quality solutions for over 20 years.

We are currently looking for an **Asphalt Raker** to join our growing team!

Reporting directly to the Foreman, the Asphalt Raker will be responsible for preparing asphalt mix for rolling by raking the mix as it leaves the screed.

Additional responsibilities include:

- Spreading asphalt efficiently while maintaining a good pace
- Assist the screed operator with the distribution of asphalt
- Use a variety of hand and power tools as well as operate equipment when needed
- Follow and promote Forest Contractor Ltd.'s safety program on the job site
- Shovel excess asphalt and sweep up debris
- Signal operators to ensure the safe and effective moving of construction and paving materials
- Other road construction duties as required

Qualified candidates will possess:

- A high school diploma or equivalent
- A valid G drivers license
- Minimum 2 years as an asphalt raker required
- Construction experienced preferred
- Must be physically fit and be able to lift 70+ pounds on a regular basis

We offer a competitive wage and benefits plan together with excellent career growth potential.

*We thank all applicants in advance for their interest in this position, however, only those selected for an interview will be contacted.*

Job Type: Full-Time

Required experience: 2 years

Required license or certification: A valid driver's license
