

Asphalt Roller Operator

Awarded one of Canada's Best Managed companies in 2016 and 2017, **The Forest Group of Companies** is a vertically integrated diversified group of companies offering exterior construction material supply and services within the Greater Toronto Area. Focused on asphalt paving, concrete, municipal site services, landscape construction and other exterior construction, Forest has provided quality solutions for over 20 years.

We are currently looking for an **Asphalt Roller Operator** to join our growing team!

Reporting directly to the Foreman, the Asphalt Roller Operator will be responsible for using equipment to compact asphalt to the desired smoothness.

Additional responsibilities include:

- Using steel drum and combination rollers to roll asphalt according to job specifications
- Inspecting equipment before and after each use, including oil, transmission fluid and water checks as well as greasing.
- Ensuring that the machines comply with Forest Contractors Ltd. maintenance policy and program as well as manufacturers specifications.
- Understanding the effects that different weather conditions have on asphalt and adjust speed and direction of the machine accordingly.
- Other duties as required

Qualified candidates will possess:

- Strong work ethic and attention to detail
- Excellent hand-eye coordination and operating skills
- At least 1-2 years experience as an asphalt roller operator
- Must be able to work as part of a team in a fast-paced work environment
- Must be able to lift 50+ pounds on a regular basis
- A valid driver's license with reliable transportation

We offer a competitive wage and benefits plan together with excellent career growth potential.

We thank all applicants in advance for their interest in this position, however, only those selected for an interview will be contacted.

Job Type: Full-time

Required experience: 1-2 years

Required license or certification: Valid Drivers License
