

## Concrete Form Setter

Awarded one of Canada's Best Managed companies in 2016 and 2017, The Forest Group of Companies is a vertically integrated diversified group of companies offering exterior construction material supply and services within the Greater Toronto Area. Focused on asphalt paving, concrete, municipal site services, landscape construction and other exterior construction, Forest has provided quality solutions for over 20 years.

We are currently looking for a **Concrete Form Setter** to join our growing team!

Reporting directly to the Foreman - Concrete Crew, the Concrete Form Setter will be responsible for creating and setting a variety of concrete forms according to job specifications.

Additional responsibilities include:

- Building forms to meet job specifications, including the ability to make calculations depending on grades and elevation.
- Dismantling forms.
- Rebar installation.
- Signal truck driver to position truck to facilitate pouring concrete, and move chute to direct concrete on forms.
- Using a variety of hand, power tools and equipment to complete work.
- Bring to the attention of the foreman any concerns or irregularities in the materials being used.
- Provide assistance to other workers as needed.

Qualified candidates will possess:

- A sound knowledge of concrete operations (planning, forming, setting)
- The ability to work as part of a team in a fast-paced work environment
- The ability to kneel, balance, climb crouch and crawl
- The ability to lift heavy objects (80+ lbs)
- A strong work ethic and a positive attitude
- A safety conscious attitude and willingness to follow all company practices and procedures

We offer a competitive wage and benefits plan together with excellent career growth potential.

*We thank all applicants in advance for their interest in this position, however, only those selected for an interview will be contacted.*

Job Type: Full-time

Required experience: 3-5 years

Required license or certification: Valid driver's license- Preferred
